SEN'S SAY

Hi everyone

Wow it's May, the year is running away from us quickly isn't it and know it's only 2 weeks till GNW and I'm really looking forward to that I hope that you will all join me for the weekend as it's shaping up to be a really good event. Not only the wars but there will be a market on Sunday where you will be able to pick up what you didn't know you needed till you saw it sitting there and all over the weekend there will be classes in different things such as Wire weaving, Tassel making, Shield painting and how to tart up a frock to name a few.

And hello to all our new people I hope you enjoyed the revel this month if you missed it don't worry there will be another one soon.

I am also running two costuming days this month the first one is this weekend and the second will be the following Saturday. These are good because everyone can learn how to make things at the same time with the help of coffee and chocolate and just a little bit of gossip the day and the sewing go quickly.

That's all I've got for this month I'll see you at GNW

2. Archery Captain

We are in our own hall and all the archery gear should be housed there. If you are holding any items of Bacchus Wood archery gear at your house, please bring it in so we can make a place for it in the hall.

Archery will be held on the first and third Tuesdays of every month and on the other Tuesdays we will be doing A&S, learning interesting things about archery or heavy fighting.

As many of you are aware, Grahame has been coming with all sorts of goodies, knowledge and enthusiasm. Whistling arrows, string making and fletching yet to come and I'm sure much more in the future.

My thanks to Grahame. It is appreciated and interesting.

We have blunts which we are getting approved for combat archery. There will be a range of colours available and the cost will be less than the Riverhaven Blunts. The rubber composition of the blunts is the same.

So far, the tests have been very encouraging with the performance comparable to the Riverhaven blunts. More information will be available when they are approved for use.

Great Northern War is upon us. In just 3 weeks, Great Northern War will be in full swing at Baden Powell Park, in Samford Valley, Brisbane.

Attend this event – it will be the biggest event in Queensland for some time. Even if you go for one day, go ! The rest of us camping there will be having a great time and we would love to see you there ☺

Willoughby Vale IKAC was on the 20th May (last Sunday). It was a great day and several Bacchus Woodians attended.

An IKAC was shot and the scores have been submitted to the Lochac Scorekeeper Lady Sabine and also to 'The Keeper of the IKAC' Lord Lorenzo.

The last chance for authorizing as a Combat Archer before Great Northern War will be on Sunday 3rd June at the Willoughby Vale IKAC in Ipswich. This will also be the last time for IKAC and combat practice for Great Northern War. Come along and enjoy yourself and watch us slug it out in combat practice. Better still, get authorised so you can join us on the GNW war field. Details of both venues are on the Website Calendar

We will be hosting the next IKAC after GNW on the 1st July at Inala. More details when we get closer to that date.

If anyone wants help with their archery, I am happy to pass on what knowledge I have. Please come and see me.

Festival was great but I'm happy to be home.

St Florians had a mishap with their hired truck this year and have been stung with a really big repair bill even though they had the full insurance package. They are currently trying to work out the legal matters.

Festival next year is much closer. I want to see lots more Bacchus Woodians go. I'm trying to get a festival fund up and running to help us do just that.

Northern War is coming our way. It's just like Festy only up here and without the dust.

I'm running a Revel on the 5th May. Please come.

I have access to our banking history now.

General Business:

Karen Charlton from Willoughby Vale has a surprise for us, reminded us of a demo we did with them before Festival and handed us a cheque for half the donation given to them for the Demo worth \$500. We all decided that they can come and visit us again :O)

Reports

Archery

I will be attending GNW and helping with the Archery please come along and give me something to do.

July 1st at Inala BW will be hosting the IKAC for this month so keep that date free and joint us for a fun day of Archery.

Marshall

There has been know heavy training done this month as I'm still the only authorized fighter but there is still interest and I hope to get it going soon.

Llwyd ap Madog is currently testing the new archery blunts and we hope to have results soon.

A&S

We have had successful workshops on Banner making, Costuming, Embroidery and Calligraphy we also had a lesson in how to make a bow.

I have run a small revel to help the new people get use to what is needed for a feast this was good for Costuming, Cooking and having what you need in your feasting basket. I intend to run a couple of these in the year for our newcomers.

Hospitaller

We had stuff, but stuff got stolen, I'm attempting to record the stuff we have left, and make new stuff to replace the old stuff that got stolen.

Reeve

We have \$1714.46 currently in the bank but have \$627.15 in un-presented cheques that will be taken care of in the next week or two.

We still need to keep our heads down as this will leave us with \$1087.31 and we will need most of this for our BW event.

The subs rise has worked well and we have been able to afford to get things like tables for the group.

Seneschal

Noel Wain from the Scouts is trying to get a stove and water heater he has also passed on that Logan council has gotten back to him RE. us being in the hall and they are quite happy with us being here but are reminded that 10.00pm is our limit for weeknights and 11.00pm on weekends

Festival fund for next year if you want to join I have a handout you need to read.

GNW is almost upon us Steven and myself and a few others are going If you are coming 1. let me know and 2. book now as next week you will have time pay a late fee of \$10 on top of your entry price.

Revel, Wow what a great night I think everyone had a good time and learned that feasts are fun to attend we raised \$120 and this will help us with our rent. I hope to run another on the 30th of June but if the toilets aren't ready then it will be 21st July.

Garlic Mushrooms

<http://www.ydalir.co.uk/crafts/cook/recipes.htm>

Serves 6 people as a starter, or 3 to 4 as a vegetarian main course.

You need :

- 250g of open cup mushrooms,
- 175g of butter,
- 3 or 4 garlic cloves (or more if you really like garlic!),
- a good pinch of salt,
- a tablespoon or so of chopped basil.

Wipe the mushrooms and trim the stalks. Chop the garlic finely in a wooden bowl, then add the salt to it and crush it to a paste with the back of a wooden spoon.

Combine the garlic with the butter and basil. Heat a small knob of butter in your skillet and place the mushrooms on the pan gill side down. Cook for about 30 seconds.

Turn them over and spoon some of the garlic and herb butter into the cup of each mushroom. Cook until the butter has melted through the mushrooms (1 to 5 minutes depending on the size).

Serve right away with some bread to wipe up the juices.
